## Autumn Fun!

Join us as we partner with the Town of Okotoks for a community wide celebration of Fall. All around town you'll soon begin to see the special Scarecrows for Charity on display. Take an afternoon to view a few, and vote for your favourite one! The winner's proceeds will be donated to their charity of choice.

We'll have three Saturdays in a row for you to experience the special activities, artist & chef demonstrations, contests, food and fun. It's all about pumpkins and scarecrows, so if you want to dress up like a scarecrow yourself, fire a pumpkin through a cannon, or get turned around in our corn maze, come out to Kayben Farms and join the fun!

**Fall is a great time of year to plant those trees you've been wanting!**

Early fall is a great time to plant trees and shrubs. Weather conditions are cooler and allow plants to establish roots in the new location before winter. When spring comes, you won't have to wait for a break in the weather to plant, you just watch it grow! Be sure to keep the soil moist until freeze-up, and mulch with 3 - 4" of leaves or bark mulch.

# Spruce Sale!

**30% off 1-9 trees**  
**50% off 10 or more**
